

Drinks with a view

Break out your sunglasses and toast June's long summer days with a cocktail at one of our favorite outdoor bars

1 PORTLAND Departure

THE VIEW The rooftops of downtown Portland, with glimpses of the Willamette River and Mount St. Helens on a clear day.

THE SCENE L.A. swank meets Euro boy meets locals wondering, "Are we still in Portland?" Outside, the summer sun shines on twin patios, decked out with mod orange lounge chairs and cushy couches.

THE DRINK The fiery Tasho Macho—Thai chile-infused vodka, muddled Thai basil, and fresh citrus Cock 'n Bull ginger beer—is a (stiff) \$10 work of art. Try it with panko-crusted Kobe meatballs, skewered Wagyu skirt steak, or Kumamoto oysters. \$\$; closed Sun–Mon; the Nines hotel, 525 S.W.
